Buy-Green Buy-Win

Mini-Seminar on **Business Opportunities of Green Purchasing**

Jointly organized by the Hong Kong General Chamber of Commerce and Green Council

31 October 2008 (Friday) at 3:00 pm -5:00 pm

- Do you wish to do businesses with large corporations?
- Do you know their green purchasing policies?
- Do your products or services comply with their green requirements?

The HKSAR Government has pledged to develop and promote green purchasing. More and more corporations are implementing green procurement, and many of them have signed the **Hong Kong Green Purchasing Charter (HKGPC)**, requiring their supply chains to comply with their green policies. Environmentally preferable products and services are gradually gaining competitive advantages.

This seminar features two large-corporation members of the HKGPC, **MTR Corporation** and **Hong Kong Baptist University**. Audiences will be given the opportunity to understand the green purchasing guidelines of these corporations, and how these help them stay competitiveness in the market.

Speakers from Purchasing Departments of MTR Corporation and Hong Kong Baptist University will talk about their purchasing items and services for their operations, including:

- **general supplies / consumables / services**
- **equipment and tools**
- **engineering / construction / renovation works**
- **maintenance services**
